The Secretary to Government,

Sir,

Revision of the grade pay of the Sanitary Inspector attached to Chamaraj Sagar Water Works.

Adverting to G.O.No.P.W.2529-31/Est. 36-45-23 dated 17-10-1946 sanctioning a revised grade pay of Rs.35-2-55-4-87 to the Sanitary Inspector attached to the Chamaraj Sagar and Water Works, I have the honour to state that the present incumbent of the post Mr.M.J. Thirumalachar has been stagnating on Rs.50/- the maximum of the old grade from 1-4-1941. The grade pay of Sanitary Inspectors of the Public Health Department was revised in the year 1934 Vide G.O. No.L.4244-65/L.B. 105-33-15 dated 17-12-1934 and had the benefit of this revision extended in the case of the Sanitary Inspector attached to the Water Supply Division also, Mr.Thirumalachar would not only have had no stagnation on Rs.50/- for over 5 years, but would have been in receipt of a much higher pay on 17-10-1946 the date from which the revised grade pay will have effect.

2. In consideration of the above facts, the good work turned out by Mr.Thirumalachar and his stagnation on Rs.50/- for over 5 years, the Executive Engineer has recommended that the benefit of the revised grade pay may be given with effect from 1-4-1942.

3. Mr.Thirumalachar is a fully qualified Sanitary Inspector and his duties and responsibilities are reported to be of a very orduous nature. In view of the very good report about his work and his stagnation on the Rs.50/- for over 5 years, I recommend that the pay of Mr.Thirumalachar be fixed at Rs.55/- in grade Rs.35-2-55-4-87 from 17-10-1946 the date of issue of the Government Order revising grade pay.

I have the honour to be,
Sir,
Your most obedient servant,

GCS/6th.
